Profile

Hardworking and enthusiastic College Student working towards a B.Tech degree in Computer Science . Seeking to use my knowledge of Cyber Security, Web Development ,and my advanced Communication Skills to effectively serve your company in an internship position. Dedicated, hardworking, and committed to becoming a dependable and valuable team member.

Education

Bachelor's of Technology

Govt. Women Engineering College ,Ajmer

I am in the 2nd year and able to learn a lot so far , programming languages like C, C++ , Java , Python, HTML, JS , DSA . Although never got a chance to implement my knowledge practically.

Certificates

Google Cybersecurity

Google Cyber Security from Coursera which includes 8 courses got a certificate for each of them.

Extracurricular activities

I have participated in some of the event that took place in my college like fashion show and making some of the best art pieces for our college fest.

The art pieces include some of the Acrylic paintings and Glass paintings which were liked by all.
